DETAILED ACTION

Applicants' response dated 07/11/2006 has been received and entered. Claims 1-10 are remain pending in the application.

The terminal disclaimer filed on 07/11/2006 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of the US Patent No. 6,950,308 has been reviewed and is accepted. The terminal disclaimer has been recorded.

Claims 1-10 are allowed.

The following is an examiner's statement of reasons for allowance:

The references of record neither disclose nor make obvious an electro-optical device encased in a mounting case comprising a combination of various elements as claimed, more specifically of cooling air guiding portions each including at a portion of side surfaces of the electro-optical device as at least some of surfaces that constitute a cooling air passage (claims 1 and 9) and/or cooling-air introducing inlets formed in side surfaces of the cover, the side surfaces of the cover being positioned above the cooling air transmitted into the electro-optical device encased in the mounting case (claim 8).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner
